4) The fine leviable under section 63 of the Land Revenue Code with regard to agricultural land used for a non-agricultural purpose is of a two-fold character under Rules 58 and 59 of the Land Revenue Rules.

(1) 25 times the assessment of the land not exceeding Rs. 200 per acre; and

(2) At a rate not exceeding Rs. 500 per acre in the case of lands within a distance of one mile from the town

5) There is no information in the file as to whether the land taken up for Hospital use in the present case is within one mile from the town or not and if so, why a special fine has not been levied under Rule 59. In any case, Rule 60 A provides for an exemption from the levy of both kinds of fines referred to above in the case of lands used for a public or charitable purpose as in the present case

6) It appears therefore permissible to approve of the recommendation of the Dy. Comm^r and waive the levy of the fine
